↷ 10. Turn right  
📍 Destination will be on the right  
171 ft

Berkshire Medical Center : Emergency Room  
725 North St, Pittsfield, MA 01201

## WARNINGS

- TICKS & MOSQUITOS - tall and even medium grass may have ticks. Most events are outside and it will be mosquito season. Recommend bringing your favorite bug repellent.
- POISON IVY - there is likely poison ivy in fields and along edges of fields in tree lines. Stay in mowed areas to minimize risk of exposure. Wash skin with soapy water (dish soap), then use gloves to remove clothes and wash. Wash anything that may have oils on it. <https://www.aad.org/public/everyday-care/itchy-skin/poison-ivy/treat-rash>
- ELECTRIC FENCES - There is a working chicken farming operation on the property. The chickens are penned in active electrified fences. Do not touch the fencing. Do not open any gates on the pens.
- WORKING DOGS - there are several large white working dogs on the farm. These dogs are there to protect the chickens. **They are NOT pets.** They are fenced in to protect you and them. Do not taunt, or otherwise instigate with them. They will bark from inside the electrified fences.
